Ansuchen um Eintragung externer Leistungen

IMPORTANT NOTICE

Fill-in Assistance

This is an information document to help English-speaking students fill in the German form correctly. This document serves information purposes only and is not legally binding.

Examinations obtained at an external university (or another institution of post-secondary education) may be registered for your degree programme at the University of Vienna.

Registering such examinations for your degree programme is only possible if this option has been clearly specified in the curriculum and/or has been approved by the Director of Studies.
