

1. What do you expect to learn from the MA Philosophy and Economics, and what role does the course play in your further academic, personal, and professional development?
2. Why are you interested in pursuing studies in philosophy and economics specifically in the MA Philosophy and Economics at the University of Vienna?
3. Considering the past and present research projects of faculty at the Department of Philosophy and Department of Economics at the University of Vienna, which research topics questions relate most to your own current interests?
4. In which ways will your prior experiences, qualifications, and skills support your studies in this new programme?
5. Optional: Is there any further information that we should be aware of, such as personal circumstances that may have negatively affected some of your academic performance to date?
